

# STRUCTURAL EDITING

## Services included:

Also known as *Macro-Editing*, this involves big-picture changes to the manuscript. Changes may involve patching plotline holes, character development, proper conflict resolution, proper and appropriate dialogue, formatting, expanding descriptions, and a minimum of three separate readings of the manuscript and discussions with the author or publishing agency. All corrections and suggestions made to the manuscript will be approved by the author or publishing agency.

\*Timeframe for completion and price will vary according to the length of the manuscript.
